

# An evening with Digby, Lord Jones of Birmingham Kb

Wednesday February 22<sup>nd</sup> 2017

at The Batch Country House, Lymsham, Weston super Mare BS24 0EX. 7.00 for 7.30pm

Lord Digby Jones is one of the most inspirational, interesting and entertaining after dinner speakers in the country. He has very generously agreed to waive his normal fees and, in return for a donation to his nominated charity, speak to us next February. It will be an evening not to be missed.

Tickets, to include a two course meal (see booking form below) are only £25.00 per head.....an absolute bargain; but we are looking for the evening to attract potential new members to Rotary. Therefore tickets are limited to Rotarians who will invite and bring along at least one potential member as a guest. It is not intended that this should be a formal event with gongs and so on, but rather an informal, relaxed (smart/casual) evening that helps show Rotary at its best.
